

ABOUT JAMES L. WHITE

President

Bernard & Franks, CPA's

4141 Veterans Boulevard, Suite 313

Metairie, LA 70002

James (Jim) White was interested in nonprofit organizations early in his career because of his desire to help people. Working for a large national accounting firm, he was assigned to service the needs of their nonprofit clients due to his interest in them. Jim brought his nonprofit expertise to Bernard & Franks, CPA's. He presently spends the majority of his time helping many outstanding nonprofit organizations in the area.

Since 1995, Jim has been Partner in charge of nonprofit services and is President of the CPA firm of Bernard & Franks. He specializes in management, accounting, federal compliance and tax issues related to nonprofit organizations. He consults with other CPA firms across the country that desire his expertise in the nonprofit arena. He has over 30 years experience in public accounting and serves over 100 nonprofit organizations in the area.

Jim has a Bachelor of Science degree in accounting from the University of New Orleans and is a CPA in Louisiana and Mississippi. He has written articles published in the *Nonprofit Observer* on management issues for nonprofit organizations. He is a frequent speaker on accounting and management topics. Some of his speaking engagements included Louisiana State CPA Society meetings, Tulane University, The Center for Nonprofit Resources, Junior League, Not-For-Profit Services Organization and to nonprofit boards in the area.

Jim can be reached at his Metairie, Louisiana office at (504) 885-0170 or his email address is jimwhite@bernardfranks-cpa.com.
